Dear Sir or Madam:

This Agency is conducting an investigation of the release or threatened release of hazardous substances at the Sauget Area 1 Site in Sauget and Cahokia, Illinois (see attached map) during the time period of 1930 to the present time. The Agency is also investigating how the substances at the Site came to be located there.

Under federal law (Section 104(e) of the Comprehensive Environmental Response Compensation and Liability Act (CERCLA)), you must respond to the enclosed information requests. If you do not respond fully and truthfully to each of the questions within thirty (30) days of your receipt this letter, enforcement action will be brought against you by seeking penalties from a federal court of extensive fines and/or imprisonment.

Your response to this Information Request should be mailed to Marsha A. Adams, 5HSM-5J, Responsible Party Search Section, at the above address. You may call her at (312) 353-9484.

## INSTRUCTIONS

### **NOTE**

PURSUANT TO THE AUTHORITY OF SECTION 104(E) OF THE COMPREHENSIVE ENVIRONMENTAL RESPONSE COMPENSATION AND LIABILITY ACT (CERCLA), 42 U.S.C. 9604(E), AS AMENDED BY THE SUPERFUND AMENDMENTS AND REAUTHORIZATION ACT OF 1986, PUB. L. 99-499, YOU ARE HEREBY REQUESTED TO RESPOND TO THE INFORMATION REQUESTS ENCLOSED. COMPLIANCE WITH THE ENCLOSED INFORMATION REQUESTS IS MANDATORY. FAILURE TO RESPOND FULLY AND TRUTHFULLY TO EACH AND EVERY INFORMATION REQUEST WITHIN THIRTY (30) DAYS OF RECEIPT OF THIS LETTER, OR TO ADEQUATELY JUSTIFY SUCH FAILURE TO RESPOND, CAN RESULT IN ENFORCEMENT ACTION BY U.S. EPA PURSUANT TO SECTION 104(E) (5) OF CERCLA WHICH, AS AMENDED, AUTHORIZES THE UNITED STATES TO SEEK PENALTIES FROM A FEDERAL COURT OF UP TO \$25,000 FOR EACH DAY OF CONTINUED NON-COMPLIANCE. PLEASE BE FURTHER ADVISED THAT PROVISION OF FALSE, FICTITIOUS, OR FRAUDULENT STATEMENTS OR REPRESENTATIONS MAY SUBJECT YOU TO CRIMINAL PENALTIES OF UP TO TEN THOUSAND DOLLARS (\$10,000) OR UP TO FIVE (5) YEARS OF IMPRISONMENT OR BOTH UNDER 18 U.S.C. 1001.

1. A separate response must be made to each of the questions set forth in this Information Request.
2. Precede each answer with the number of the Information Request to which it corresponds.
3. In answering each Information Request, identify all contributing sources of information.
4. If information is not known or is not available to the Respondent as of the date of submission of his/her response, should information later become known by or available to the Respondent, Respondent must supplement his/her response to U.S. EPA. Moreover, should the Respondent find, at any time after the submission of his/her response that any portion of the submitted information is false or misrepresents the truth, Respondent must notify U.S. EPA thereof as soon as possible.
5. For each document produced in response to this Request for Information, indicate on the

document, or in some other reasonable manner, the number of the question to which it responds.

6. You must respond to the Information Requests on the basis of all information and documents in your possession, custody or control or in the possession, custody or control of your former or current employees, agents, servants, contractors or attorneys. Furnish such information as is available to you, regardless of whether or not it is based on personal knowledge, and regardless of source.
7. Your response should be accompanied by a notarized affidavit from a responsible company official or representative stating that a diligent record search has been completed—and that there has been a diligent interviewing process with present and former employees who may have knowledge of the operations, hazardous substance use, storage, treatment, releases, spills, disposal or other handling practices of the Respondent between, unless otherwise noted, 1930 and the present. To the extent that any information you provide relating to these Requests is based on your personal knowledge, or the personal knowledge of your employees, agents, or other representatives, this information shall be in the form of a notarized affidavit.
8. If any document responsive to a request was, but no longer, in the possession, custody, or control of Respondent, provide the following information:
  - a. state the disposition of the document;
  - b. state the date such disposition was made;
  - c. identify the present custodian of the document, state his address or, if the document no longer exists, so state;

- d. identify the person who made the decision regarding the disposition of the document;
  - e. state the reason for the disposition; and
  - f. describe the document and the contents of the document, including the title, date, author, addressees, locations and number of copies made and the location of the copies.
  - g. state whether the document was disposed of pursuant to and in compliance with a company document management policy.
9. The information requested herein must be provided notwithstanding its possible characterization as confidential information or trade secrets. You may, if you desire, assert a business confidentiality claim covering part or all of the information requested, in the manner described by 40 C.F.R. 2.203(b). Information covered by such a claim will be disclosed by U.S. EPA only to the extent, and only by means of the procedures set forth in 40 C.F.R. Part 2, Subpart B. [See 41 Federal Register 36901 et seq. (September 1, 1976); 43 Federal Register 4000 et. seq. (September 8, 1978); 50 Federal Register 51654 et.seq. (December 18, 1985).] If no such claim accompanies the information when it is received by U.S. EPA, it may be made available to the public by U.S. EPA without further notice to you. You should read carefully the above-cited regulations, together with the standards set forth in Section 104(e)(7) of CERCLA, before asserting a business confidentiality claim, since certain categories of information are not properly the subject of such a claim, as stated in Section 104(e)(7)(ii) of CERCLA. In order to facilitate handling any confidential business or financial information, please provide such information on separate pages and group all such pages together in one portion of the response. Clearly identify the information as confidential by placing the word "confidential"

in the upper right hand corner of the first page containing the information and on the cover letter transmitting it.

10. U.S. EPA has the authority to use the information requested herein in an administrative civil or criminal action.
